A woman in a red top and black skirt stands next to a weather map of the United States. The map shows various weather conditions: sun, clouds, lightning, and rain. Above the map is a speech bubble with a yellow warning triangle. To the right, a smartphone displays weather information with a cloud, sun, and a speech bubble containing a 'C' with a degree symbol. Another speech bubble with a warning triangle and a bell icon is positioned above the phone.

 Information

A white drone with four rotors is flying over a forest fire. The fire is depicted with large orange and yellow flames rising behind several green pine trees. The drone has blue curved lines below it, representing a signal or sensor beam.
